March, 2011

Dear Prospective Family for St. Luke Preschool,

Registration for the 2011-12 school year is underway. At St. Luke, we have a long history of providing a loving Christian environment and quality early childhood education for the children we serve.

In the 2011-12 school year, we will continue to offer our programs for children from ten months old until they begin Kindergarten. Children who are three and four years old may attend school for classes running from 2½ to eight hours per day. The classes being offered are:

- Mommy & Me Classes for children from 10 – 30 months old;
- Learn & Play for children who will be 2 by December 31, 2011;
- Preschool for children who will be 3 by December 31, 2011; and
- Pre-K for children who will be 4 by December 31, 2011.

We are offering Enrichment Classes for our Preschool and Pre-K children which will extend the pre-school day and offer the opportunity for the children to eat lunch with their friends. Enrichment Classes may include: music and movement, sign language, science, and more. As with our pre-school classes, our enrichment teachers are highly qualified and love their work with children.

This is certainly an exciting time in the life of our St. Luke Preschool! Please call the school for an appointment to come in and see our beautiful facility, observe our program in action and meet our director. You will learn about our curriculum and be able to ask any question you might have. If you are already familiar with the school, please call and we will send you a registration form and the tuition rate sheet.

If you have any questions, please feel free to talk with me. Our commitment to our children and their families remains as strong as ever at St. Luke Preschool. As always, we are honored to serve you.

Sincerely yours,

*Regina*
